***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 7 and 13 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In this regard, in the formula of the function provided in each of these claims, the variables defined in the text and the variables used in the formula do not correlate.

***Allowable Subject Matter***

The indicated allowability of claims 7 and 13 is withdrawn for the reason stated above.

Claims 1-6, 8-12, 14-28 and 31 are allowed.

The following is an examiner's statement of reasons for allowance: the reason for allowance is clear from the prosecution history..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
